ADAH1730SS

5" x 30" x 18" (H x W x D)

30 inch wide ADA compliant ductless range hood in stainless steel with remote wall switch

Highlights:

ADA compliant design allows you to control the hood from a wall light switch for easier accessibility

30" wide range hood matches commonly sized ranges and cooktops

Designed for ductless (recirculating) operation

Product Features:

ADA compliant design	Hood is wired to run off a wall switch for improved accessibility, with a remote terminal block included
30" width	Designed to fit over commonly sized ranges and cooktops
Ductless range hood	Use for recirculating operation where no ducting to the outside is available
Stainless steel finish	White and black range hoods also available in this size and series
Two-speed fan	High and low setting gives you the right amount of power for most general cooking applications
Dishwasher-safe aluminum filter	Removable mesh filter with solid construction and easy cleanability
Charcoal liner	Filter includes a charcoal liner for better absorption of grease and odors
Switchable light option	Unit can accept a light bulb (max 40W) with the switch included on the remote terminal block. Bulb is not included.
Made in the USA	Solidly constructed for years of use
