ADAH1620W

5" x 20" x 18" (H x W x D)

20 inch wide ADA compliant convertible range hood for ducted or ductless use in white with remote wall switch

Highlights:

ADA compliant design allows you to control the hood from a wall light switch for easier accessibility

20" wide range hood matches slim apartment sized ranges and cooktops

Convertible from top or rear venting into non-vented recirculating mode

Product Features:

ADA compliant design	Hood is wired to run off a wall switch for improved accessibility, with a remote terminal block included
20" width	Designed to fit over slimmer ranges and cooktops
Convertible design	Use top or rear venting or convert into non-vented recirculating mode
White finish	Stainless steel and black range hoods also available in this size and series
Two-speed fan	High and low setting gives you the right amount of power for most general cooking applications
Dishwasher-safe aluminum filter	Removable mesh filter with solid construction and easy cleanability
Charcoal liner	Filter includes a charcoal liner for better absorption of grease and odors
Switchable light option	Unit can accept a light bulb (max 40W) with the switch included on the remote terminal block. Bulb is not included.
Made in the USA	Solidly constructed for years of use
