SINC2B115

1.88" x 11.38" x 20.5" (H x W x D)

1800W 115V 12" wide 2-zone built-in induction cooktop in black glass with touch controls and pre-installed power cord

Highlights:

115V design with pre-installed power cord and 3-prong plug included

Advanced safety features include automatic shutoff, overflow protection, child lock, and residual heat indicator light

Smooth EuroKera surface made of durable, low maintenance black glass

Product Features:

115V 2-Burner Induction Cooktop	Smooth-top glass cooktop ideal for hotels, apartments, and other small kitchen spaces
115V operation	Designed for use with 110-120V connections
Power cord included	Pre-installed 115V NEMA 5-15P 3-pronged cord for easier setup
Induction heating	Electromagnetic heating technology where heat is generated inside your cookware, ensuring a more efficient process with less energy waste, faster heating, and a safer cooking experience
1800W operation	Rear burner can operate up to 1800W, while front burner can reach 1300W; NOTE: because this is a 120V cooktop, the max wattage is 1800W. If both burners are in use and exceed 1800W, the element you are not adjusting will automatically default to a lower power setting
EuroKera glass surface	Easy cleanup and elegant style on a smooth ceramic glass surface in a jet black finish
Large rear element	8 1/4" element operates at a maximum of 1800W
Standard front element	6 1/4" 1300W front element to cover most general cooking needs
Timer function	Allows you to program either burner to heat at a specified level for up to 99 minutes and either turn off when finished or display a countdown with an audible alert when the time is up
