

# SCR600BLPUBCSS

34.5" x 23.75" x 23.5" (H x W x D)

Commercially approved built-in undercounter craft beer Pub Cellar with digital thermostat, glass door, and stainless steel wrapped cabinet

### Highlights:

UNAVAILABLE AT THIS TIME

Commercially approved for use in food service establishments

Perfect for storing or aging craft beer for long-term use

### Product Features:

|                                 |   |
|---------------------------------|---|
| Designed for craft beer storage | Wide range temperature control lets you manage the interior between 41° and 65°F for optimum storage of all types of beer |
| Commercially approved           | ETL-S listed to NSF-7 Standards for use in commercial establishments  |
| Built-in capable                | Make the best use of space by installing your appliance under the counter and flush with other cabinetry                  |
| Digital thermostat              | Exterior thermostat located in kickplate lets you manage the temperature without opening the door                         |
| Double pane tempered glass door | Heat resistant design provides clear view of stored products, with an elegant trim in brushed aluminum                    |
| Wrapped stainless steel cabinet | Elegant finish that allows the unit to function freestanding  |
| Professional towel bar handle   | A curved handle in brushed stainless steel provides generous room for a comfortable grip                                  |
| Factory installed lock          | Keyed lock for a secure interior  |
| Automatic defrost               | Reduced user maintenance with automatic defrost   |
