

# VT65MLBIIF

33.5" x 23.63" x 23.5" (H x W x D)

Built-in medical all-freezer with lock, capable of -25° C operation; door accepts custom overlay panels

## Highlights:

Flexible design allows built-in or freestanding use

Factory installed lock provides security you can count on

Door can accept custom panels to seamlessly blend into cabinetry

## Product Features:

|                              |                                                                                                                                                                                                                                                |
|------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Built-in capable             | Front-breathing design lets you make the best use of space by installing your appliance under the counter                                                                                                                                      |
| Fully finished white cabinet | Allows the unit to be used freestanding                                                                                                                                                                                                        |
| Height Adjustable            | Adjustable legs allow the unit to be sized from 33 1/2" to 34 3/4" high                                                                                                                                                                        |
| Factory installed lock       | Keep contents secure with a front lock on the door                                                                                                                                                                                             |
| Integrated door frame        | Customize the front by mounting an overlay panel over the door; seamless look can blend into cabinetry with no exposed frame. Handle not included. (panel dimensions: 23 5/16" W x 28 1/4" H and at least 3/4" thick; maximum weight: 10 lbs.) |
| -25° capable                 | Low temperature operation is ideal for vaccine, pharmaceuticals, and other temperature sensitive materials                                                                                                                                     |
| Manual defrost               | Energy efficient operation                                                                                                                                                                                                                     |
| No internal fans             | Static cooling system                                                                                                                                                                                                                          |
| Three slide-out drawers      | Conveniently organize your items while keeping the temperature stable when the door is opened                                                                                                                                                  |

## VT65MLBIIF Specifications:

| Overview                   |                    |
|----------------------------|--------------------|
| Height of Cabinet          | 33.5" (85 cm)      |
| Width                      | 23.63" (60 cm)     |
| Depth                      | 23.5" (60 cm)      |
| Capacity                   | 3.5 cu.ft. (99 L)  |
| Defrost Type               | Manual             |
| Door                       | Panel-Ready        |
| Cabinet                    | White              |
| US Electrical Safety       | UL                 |
| Canadian Electrical Safety | ULC                |
| Amps                       | 1.3                |
| Voltage/Frequency          | 115 V AC/60 Hz     |
| Weight                     | 105.0 lbs. (48 kg) |
