SUMMIT

WNM430P

36" wide open burner gas range in white with battery start ignition and side storage compartment; made in the USA

Highlights:

Made in the USA

Battery start ignition is ideal for locations without standard power access

36" wide gas range with side storage cabinet

Product Features:

Made in the USA	Designed and constructed domestically	
36 inch wide range	Uniquely sized to fit many older kitchen spaces	
24 inch depth	Shallower fit is ideal for L-shaped and galley kitchens	
Battery start ignition	Uses a 9V battery to ignite the oven and burners, providing a convenient off-grid solution to kitchens previously using pilot lights when no electricity is available	
4 open burners	9000 BTU burners with built-in enamel grates to meet most cooking needs	
Natural gas design	Set for use with natural gas connection. To convert for propane use, add Kit LPP	
Broiler compartment	Lower drop-down compartment for separate broiling with even heat distribution	
Recessed oven door	Smart design limits the depth and protects adjacent cabinets	
Storage cabinet	12" wide storage cabinet included in body, with a removable shelf to help store cookware, smaller appliances, non-perishable food, and other items
