

# SBC678OSTWIN

34.5" x 23.63" x 25.75" (H x W x D)

Outdoor frost-free beer dispenser for built-in use, with stainless steel exterior, digital thermostat, and complete tap kit

## Highlights:

Weatherproof design ensures safe operation in the outdoors

Frost-free operation ensures minimum user maintenance

Flexible design allows built-in or freestanding use in 24" spaces

## Product Features:

|                                |   |
|--------------------------------|---|
| Weatherproof design            | Solid construction allows placement in the outdoors   |
| Built-in capable               | Front-breathing design allows fully recessed installation under counters  |
| Dual tap system                | Twin taps let you serve two different types of beer from two 1/6 sized (sixtel) kegs                                |
| Frost-free operation           | No-frost operation for minimum user maintenance   |
| Stainless steel door           | Fully wrapped 304 grade stainless steel door offers lasting durability and style                                    |
| Professional horizontal handle | Sleek stainless steel handle is mounted horizontally for a modern look  |
| Reversible door                | User reversible door swing for added placement flexibility  |
| Digital thermostat             | Electronic controls ensure easy temperature management for optimum beer storage                                     |
| Complete tap kit               | Includes a 5 lb. CO2 tank and regulator, draft arm, dual Sankey American tap, connection hardware, and cleaning kit |
