

REX204W

45" x 20" x 23.63" (H x W x D)

20" wide deluxe electric range with smooth black ceramic glass cooking surface, oven window with light, and high backguard with clock and timer

Highlights:

Thin-line design gives you full cooking power in a slim-fitting model

Safe heating and easy clean-up on a smooth cooking surface made from EuroKera glass

Superior construction of resilient white porcelain and enamel steel looks great in any kitchen

Product Features:

Thin-line design	Limited space is no problem for our thin-line models, designed specifically for those hard-to-fit spots without sacrificing cooking capacity. The 2.62 cubic foot oven cavity is one of the industry's largest on a 20" range
All steel and porcelain construction	Made from the best, the White Pearl ranges have classic style on the outside and proven durability inside
Backsplash	High backing prevents stovetop contents from splashing up or boiling over and staining walls
Oven window with light	Easier monitoring of your cooking with an oven window and on/off light
Digital clock and timer	Deluxe backguard includes clock and timer function for added convenience
Storage compartment	Save even more space by storing your pots and pans in this drop-down compartment
Smooth ceramic glass top	Ceramic surface made from EuroKera glass ensures easy cleanup and safer cooking
Four cooking zones	One 8" and three 6" cooktops made by E.G.O.
Hot surface indicator light	Prevent accidents with this safety feature that illuminates the cooking zones in bright red when the surface is hot
