

SCFF44FROST

33.88" x 18.5" x 21.38" (H x W x D)

DISCONTINUED: For a similar model, see the FS60MFROST

Highlights:

Commercially approved for use in food service establishments

Operates at approximately 24° F to bring aluminum bottled beer just above the freezing point

Digital thermostat with external readout for easy and precise temperature control

Product Features:

Commercially approved	ETL-S Listed and CalCode Compliant
24° F pre-set operation	Ideal temperature to hold beer in aluminum bottles at its coldest
Fully finished black cabinet	Allows the unit to be used freestanding
Stainless steel door	Professional style with a luxurious stainless steel door
Top-mounted compressor	Eliminates the usual compressor shelf to provide more storage room at the bottom of the unit; compressor is concealed behind sealed top compartment
Frost-free operation	Let the appliance do the work with a timer defrost that continuously prevents ice from forming inside
Digital thermostat	Precise temperature management at the touch of a button, with an external display for added convenience
Casters	Four sturdy casters are installed for smooth mobility and easy cleanup
Cantilevered shelf	Adjustable shelf can easily be set at any position to accommodate contents
