SCR312LWC2

26.13" x 17" x 19.25" (H x W x D)

Commercially approved countertop wine cellar with glass door, front lock, and digital thermostat

Highlights:

Commercially listed to NSF-7 standards

Versatile interior lets you store red or white wine upright or horizontally on wooden shelves

Digital thermostat with external readout for easy and precise temperature control

Product Features:

Commercially approved	ETL-S listed to NSF-7 commercial standards
Double pane tempered glass door	Heat resistant design provides clear view of stored products
Factory installed lock	Keyed lock offers convenient security
22 bottle capacity	Interior can hold up to 22 standard 750ml Bordeaux style bottles. If using this wine cellar for wider Burgundy/Pinot Noir bottles, you can store up to 18 of those bottles with an additional 3 Bordeaux bottles.
Professional handle	Stainless steel handle offers a professional look
Automatic defrost	Reduced user maintenance with auto defrost system
Digital thermostat	Precise temperature management with easy electronic controls and a digital display
Interior LED light	Externally located button turns this light on and off to illuminate the products for a tempting view
Wooden shelving	Four wooden shelves offer the perfect conditions for storing bottles horizontally
