

# SWC1987T

71" x 23.63" x 26.63" (H x W x D)

Triple zone 133 bottle wine cellar with seamless stainless steel trimmed glass door, lock, and digital controls

### Highlights:

Innovative three zone design lets you store your red, white, and sparkling wine under the perfect serving or preservation conditions

True luxury with a seamless stainless steel trimmed glass door

Full extension slide-out shelves feature an attractive stainless steel trim

### Product Features:

Three temperature zones	Get the most out of your storage with three independent zones. Lower zone is designed for red wine storage and preservation (54 to 72°F range), middle zone stores white and sparkling wine (41°F to 54°F) and upper zone features a wide 41 to 72°F range
Double pane tempered glass door	Slightly tinted glass provides full view of interior, with a stainless steel trim for added accent
Seamless stainless steel trimmed door frame	Single-piece door trim offers a more deluxe look
Digital thermostats	Set and adjust the three temperature zones separately with easy-to-use digital controls with an LED display in Celsius or Fahrenheit
Full-extension slide-out shelves	Shelves are set on ball bearing tracks for smooth gliding, giving you full access when loading and unloading bottles
Stainless steel trimmed wooden shelves	Classic style with an added touch of elegance
Recessed LED lighting	Efficient and elegant LED lighting in each section in an attractive white hue
Factory installed lock	Front lock allows you to limit unsupervised access, with two keys included
Versatile capacity	Interior can store up to 133 standard Bordeaux style bottles or 112 wider Burgundy style. Upper two zones can hold up to 32 standard champagne bottles. Alternatively, shelves can easily be removed to accommodate different sizes
