

FDRD15SS

71" x 26.88" x 26.75" (H x W x D)

Counter depth ENERGY STAR certified French door refrigerator with two bottom freezer drawers in stainless steel finish

Highlights:

Uniquely sized with a 27" footprint

ENERGY STAR certified to help save on energy bills and maximize efficiency

Digital temperature controls for both the refrigerator and freezer section

Product Features:

ENERGY STAR certified	Rated by the DOE to perform with more efficiency than federal standards require, saving your unit energy and you on higher utility costs
Counter depth	Sized at just under 27" deep for an easy fit in space-challenged kitchens, with a 24.5" depth from the rear to doors
Stainless steel doors	Professional look with a French door swing on the refrigerator section brings a modern touch to any kitchen
Bottom freezer drawers	Two slide-out freezer drawers help you maximize storage for easier accessibility
Digital thermostats	Separate digital controls located on the door let you adjust the refrigerator and freezer sections, with a digital display for added convenience
Adjustable glass shelves	Spill-proof safety glass for durable and easy-to-clean storage that can be rearranged as needed, with a steel front trim for an attractive accent
Adjustable shelf depth	One glass shelf can be separated at the middle to create two shallower depth shelves, perfect for opening the refrigerator up to store taller items
Adjustable door storage	Eight door racks can be adjusted in height to accommodate a variety of sizes
Dual crispers	Two clear drawers helps to ensure the optimum storage of fruits and vegetables
