

# FS407LBI7NZ

34" x 19.25" x 21.38" (H x W x D)

Commercially approved Nutrition Center series all-freezer in white for built-in or freestanding use, with front lock and digital temperature display

### Highlights:

- Commercially approved to NSF-7 standards
- Digital temperature display and audible alarm allows easier temperature monitoring as recommended by JCAHO
- Factory installed lock located towards the top of the door for convenient security

### Product Features:

|   |   |
|---|---|
| Commercially approved                         | ETL-S listed to NSF-7 commercial standards for food and beverage storage  |
| Built-in capable                              | Make the best use of space by installing your appliance under the counter and flush with other cabinets   |
| Slim 20" width                                | Uniquely slim width is ideal for facilities with limited floor space  |
| NIST calibrated temperature display           | Thermometer provides continuous display of the current and high/low temperature to the nearest tenth of a degree, with a readout switchable from Celsius to Fahrenheit at the touch of a button |
| High/low temperature alarm                    | Audible alarm sounds if the interior temperature rises or falls out of set range  |
| Factory installed lock                        | Keyed lock conveniently located towards the top of the door for added security (2 keys included)  |
| Manual defrost                                | Efficient performance with reliable temperature stability   |
| -20° capable                                  | Low temperature capability ideal for certain items  |
| Slide-out storage drawers with covered fronts | Four clear plastic baskets help to protect stored items when the door is opened   |
