

# SCR215LNZ

20.88" x 17" x 18.75" (H x W x D)

Commercially approved compact Nutrition Center series glass door all-refrigerator with front lock and digital temperature display

## Highlights:

Commercially listed to NSF-7 standards and meets UL-471

Digital temperature display and audible alarm allows easier temperature monitoring as recommended by JCAHO

Thermometer is NIST calibrated in our ISO/IEC 17025:2017 laboratory

## Product Features:

|                                     |                                                                                                                                                                                                 |
|-------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Commercially approved               | ETL-S listed to NSF-7 commercial standards for food and beverage storage                                                                                                                        |
| NIST calibrated temperature display | Thermometer provides continuous display of the current and high/low temperature to the nearest tenth of a degree, with a readout switchable from Celsius to Fahrenheit at the touch of a button |
| High/low temperature alarm          | Audible alarm sounds if the interior temperature rises or falls out of set range                                                                                                                |
| Versatile display                   | Temperature display can be switched from Celsius to Fahrenheit at the touch of a button                                                                                                         |
| Double pane tempered glass door     | Heat resistant design provides clear view of stored products, with an elegant trim in stainless steel                                                                                           |
| Automatic defrost                   | No-frost convenience for reduced user maintenance                                                                                                                                               |
| Digital thermostat                  | Electronic controls offer more precision in temperature management, with a readout viewable in Celsius or Fahrenheit                                                                            |
| Factory installed lock              | Keyed lock for a secure interior                                                                                                                                                                |
| LED lighting                        | Interior LED lighting offers an energy efficient view in an attractive blue hue                                                                                                                 |

## SCR215LNZ Specifications:

| Overview                   |                   |
|----------------------------|-------------------|
| Nominal Height             | 23.0" (58 cm)     |
| Height of Cabinet          | 22.75" (58 cm)    |
| Height to Hinge Cap        | 20.88" (53 cm)    |
| Nominal Width              | 17.0" (43 cm)     |
| Width                      | 17.0" (43 cm)     |
| Nominal Depth              | 19.0" (48 cm)     |
| Depth                      | 18.75" (48 cm)    |
| Depth with Handle          | 20.38" (52 cm)    |
| Depth with door at 90°     | 34.5" (88 cm)     |
| Capacity                   | 1.7 cu.ft. (48 L) |
| Defrost Type               | Automatic         |
| Door                       | Glass             |
| Cabinet                    | White             |
| US Electrical Safety       | ETL               |
| Canadian Electrical Safety | ETL-C             |
| Sanitation                 | ETL-S             |
| Amps                       | 1.3               |
| Voltage/Frequency          | 115 V AC/60 Hz    |
| Weight                     | 55.0 lbs. (25 kg) |
| Parts & Labor Warranty     | 1 Year            |
| Compressor Warranty        | 5 Years           |
| UPC                        | 761101061160      |
| Refrigerator Features      |                   |
| Door Swing                 | RHD               |
| Reversible                 | No                |
| Shelf Type                 | Chrome            |
| Shelf Qty                  | 2                 |
| Adjustable Shelves         | Yes               |
| Thermostat Type            | Digital           |
| Refrigerant Type           | R600a             |
| Refrigerant Amount         | 0.89oz.           |
| High Side PSI              | 270.0             |
| Low Side PSI               | 103.0             |
| Level Legs Qty             | 2                 |
| Interior Light             | Yes               |
| Temperature Range          | 34°F to 43°F      |
| Sound Level                | 34.6 dB           |
| Dimensions                 |                   |

|                        |                |
|------------------------|----------------|
| Interior Height        | 16.5" (42 cm)  |
| Interior Width         | 13.75" (35 cm) |
| Interior Depth         | 15.0" (38 cm)  |
| Compressor Step Height | 8.0" (20 cm)   |
| Compressor Step Width  | 13.75" (35 cm) |
| Compressor Step Depth  | 6.0" (15 cm)   |
