

ADAH1636B

5" x 36" x 18" (H x W x D)

36 inch wide ADA compliant convertible range hood for ducted or ductless use in black with remote wall switch

Highlights:

- ADA compliant design allows you to control the hood from a wall light switch for easier accessibility
- 36" wide range hood matches slim apartment sized ranges and cooktops
- Convertible from top or rear venting into non-vented recirculating mode

Product Features:

| | |
|---------------------------------|---|
| ADA compliant design | Hood is wired to run off a wall switch for improved accessibility, with a remote terminal block included |
| 36" width | Designed to fit over commonly sized ranges and cooktops |
| Convertible design | Use top or rear venting or convert into non-vented recirculating mode |
| Black finish | Stainless steel and white range hoods also available in this size and series |
| Two-speed fan | High and low setting gives you the right amount of power for most general cooking applications |
| Dishwasher-safe aluminum filter | Removable mesh filter with solid construction and easy cleanability |
| Charcoal liner | Filter includes a charcoal liner for better absorption of grease and odors |
| Switchable light option | Unit can accept a light bulb (max 40W) with the switch included on the remote terminal block. Bulb is not included. |
| Made in the USA | Solidly constructed for years of use |
