# accucold

# **GP590**

#### 34.38" x 23.63" x 24.38" (H x W x D)

Frost-free general purpose all-refrigerator for built-in or freestanding use, with black cabinet and stainless steel door

#### **Highlights:**

Perfectly sized for use in healthcare facilities

Fully frost-free interior for low maintenance operation

Flexible design allows built-in or freestanding use in 24" wide spaces

### **Product Features:**

Healthcare refrigerator	Designed for general purpose storage in institutional facilities	
Built-in capable	Front-breathing design allows fully recessed installation under counters	
Frost-free operation	Eliminates the need to manually defrost the 5.7 cu.ft. interior	
Fully finished textured black cabinet	Allows the unit to be used freestanding	
Stainless steel door	Professional finish offers durability and elegance	
Professional horizontal handle	Sleek stainless steel handle is mounted horizontally for a modern look	
Removable glass shelves	Spill-proof shelves allow convenient storage	
Door storage	3 door racks offer convenient storage	
Reversible door	User reversible door swing for added placement flexibility
