

VT65MSTACK

68.75" x 23.88" x 23.5" (H x W x D)

24 inch wide stacked general purpose all-freezers capable of -25°C operation, with removable basket drawers

Highlights:

Double the freezer storage capacity in one slim-fitting footprint for space-challenged facilities

Versatile design allows you to store items at different temperatures to meet your needs

-25° C operation for safe storage of temperature sensitive materials

Product Features:

Slim footprint	Less than 24 inches wide for use in a variety of smaller spaces
Versatile design	Store contents in each freezer at different temperatures for unparalleled storage options
Easy assembly	Unit ships in three boxes for customer to install the StackRack on the bottom freezer and place and secure the other unit on top
-25° C capable	Low temperature operation is ideal for a variety of institutional storage applications
Fully finished white cabinet	Allows the freezer to be used freestanding
Manual defrost operation	No temperature fluctuations with a static manual defrost system that keeps the cold inside
Three removable storage baskets	Conveniently organize your items while keeping the temperature stable when the door is opened
One piece seamless interior liner	Enjoy easy clean-up with a one piece liner that won't hold a mess in hidden crevices
No internal fans	Temperature remains stable with a static cooling system
