

FF195IF

34" x 19" x 18" (H x W x D)

Commercially approved, ENERGY STAR certified all-refrigerator for built-in or freestanding use with a shallow 18" depth, panel-ready door, and black cabinet

Highlights:

18" shallow depth makes it ideal for smaller commercial and residential settings

ENERGY STAR certified performance ensures annual savings

Panel-ready door lets you create the perfect look

Product Features:

18" shallow depth	Ideal for home wet bars, island kitchens, and other applications with limited footprint space
ENERGY STAR certified	Rated by the DOE to perform with more efficiency than federal standards require, saving your unit energy and you on higher utility costs
Commercially approved	ETL-S listed to NSF-7 standard and meets UL-471 for use in commercial settings
Panel-ready door	Integrated stainless steel door frame accepts full overlay panels, allowing you to customize the refrigerator door or blend it into your cabinetry design; panel size: 18 7/8" W x 31 9/16" H and at least 3/4" thick; 10 lbs. maximum; customers provide their own handles
Built-in capable	Front-breathing design lets you make the best use of space by installing your appliance under the counter
Automatic defrost	Reduced user maintenance with auto defrost system
Adjustable shelves	Three glass shelves with brake system ensures safe, optimal storage
Door racks	Two chrome racks accommodate a variety of sizes for optimal interior storage
LED lighting	Automatically illuminates when the door is open for an attractive and energy efficient view
