

# SLW241W

33" x 23.63" x 26.5" (H x W x D)

24" wide 208-240V front-loading washer with 14 wash programs for built-in or freestanding use

## Highlights:

Made in Europe

ENERGY STAR qualified performance to save on electricity and water usage

14 wash cycles offer the appropriate care for every fabric

## Product Features:

Made in Europe	Fully featured with an advanced design for proper laundry care
ENERGY STAR certified	Uses less energy and water than national standards require to ensure more efficiency and lower utility bills
208-240V Operation	Requires 15 amp connection, with a pre-installed 3-pronged NEMA-615 cord included
Slim-fitting design	Just under 24" wide for an easy fit
Built-in capable	Unit can be built-in for recessed installation with minimal clearance (Note: for built-in use the unit requires 2" of clearance at the rear and 1" of clearance on both sides and the top)
Front-loading design	Easy to load, with a glass door for a clear view inside
Stainless steel tub	Durable interior holds up load after load
14 wash settings	Get the proper fabric care with settings for regular and colored cottons, quick wash, mixed load, active wear, lightly soiled, delicates, wool, down wear, and clothing for those with skin sensitive or allergies
Touchscreen display	Digital touchscreen controls ensure easy operation of speciality programs

4'-0" LG. ELEC. CORD (NEMA 6-30)  
208-240V / 60HZ
