accucold

ARS18PVDL2B

78.5" x 27.5" x 26" (H x W x D)

Performance series Pharma-Vac 18 cu.ft. upright allrefrigerator for vaccine storage, with factory-installed data logger, antimicrobial silver-ion handle, and hospital grade cord with 'green dot' plug

Highlights:

NIST calibrated DDL included for accurate temperature logging

Intelligent microprocessor digital temperature controller

Improved temperature accuracy with a separate temperature probe for continuous product readout to simulate stored product temperature

Purpose-built design	Designed and purpose-built for pharmacy, medication, and vaccine applications to support meeting CDC/VFC/VFA guidelines	
+/-1°C Variation	The published temperature variation is derived from the maximum deviation of an NTC senso in a 1 oz. vial located nearest the chamber geometric center during a 24 hour test period	
Digital data logger (DDL) included	Accucold DL2B data logger is NIST calibrated in our ISO/IEC 17025:2017 laboratory, with user-set logging intervals, a large LCD readout of the current and high/low temperature, and virtually unlimited storage through internal memory and a convenient USB drive; for additional information on this logger's features, view the DL2BKit on our website	
Antimicrobial silver ion-coated handle	Powder-coated handle with naturally occurring silver ions to help reduce the spread of germs	
Adjustable temperature	Intuitive controls let you adjust the interior temperature between +2 to +8°C	
Temperature alarm	Visual and audible alarms alert if the interior temperature rises or falls out of set range	
Remote alarm contacts	Electronic controller is equipped with a volt-free contact for alarm forwarding to an external remote system (contacts located in the external rear of the unit)	
Automatic defrost with adjustable cycle defrost	Adjustable cycle defrost operation ensures the unit avoid temperature spikes and ice buildup	

SUMMAN PAPPLIANCE DIVISION, FELIX STORCH, Indudes a group installed the another in the right interior wall to allow easier connection to 770 Garrison Avenue Bronx, NY 10474 USA TEL 718-893/ Setter Fraided an entry ing equi manufactor in the right interior wall to allow easier connection to www.summitappliance.com

Product Features:

accucold
