

FS407LWSSHV

34" x 19.25" x 21.38" (H x W x D)

20" wide counter height manual defrost all-freezer for general purpose healthcare use, -20°C capable with a lock, stainless steel door, and white cabinet

Highlights:

-20° C capable with interior slide-out drawers for easy storage

Manual defrost operation for improved stability in healthcare facilities

Factory-installed lock provides security you can count on

Product Features:

General purpose healthcare design	Low temperature manual defrost freezer for use in healthcare, life science, and other institutional facilities
Slim 20" width	2.8 capacity inside a slim footprint
-20°C capable	Low temperature capability ideal for certain sensitive items
Factory installed lock	Located towards the top of the door for easy access and to provide added security of unit (2 keys included)
Stainless steel wrapped door	Durable exterior in 304 grade stainless steel for a professional look
Professional handle	Vertically mounted handle in brushed stainless steel with a thin 14mm diameter to match many popular styles of cabinetry
Manual defrost	Efficient performance with more reliable temperature stability
Basket shelves	Four slide-out baskets offer convenient storage, with plastic fronts to help protect contents from warmer air when the door is opened
Hospital grade cord with 'green dot' plug	Secure three-pronged cord for added unit safety
