

LX114LPTP

19.25" x 13.75" x 17.25" (H x W x D)

BeautiFridge compact cosmetics cooler with pink trimmed glass door, lock, matte blush pink shelves, and digital controls set for the storage of beauty products

Highlights:

Perfectly sized to fit into bathroom fixtures, powder rooms, or vanity tables

Adjustable digital controls specially set to run at the proper storage temperature for most beauty products

Removable storage trays feature in a matte blush finish

Product Features:

BeautiFridge Cosmetics Refrigerator	Designed and constructed to ensure the proper storage conditions for skincare products
Specially designed for cosmetic storage	Warmer temperature setting via digital controls allow the perfect storage conditions for high value creams, cosmetics, and perfumes
Ideal storage temperature	Operates between 42° and 65°F to keep cosmetics properly cooled
Powerful compressor-based cooling system	Unlike thermoelectric cosmetics coolers, this model features a commercial grade cooling system to ensure faster cooling and a more stabilized temperature performance
Digital thermostat	Adjustable thermostat located inside to prevent unsupervised temperature changes
Compact dimensions	Less than 14" wide and 18" deep to allow for placement on vanities, countertops, and similar spaces
Pink trimmed door	Door frame features a gentle blush trim in a matte texture
Double pane tempered glass door	Heat resistant design provides clear view of stored products
Automatic defrost	No-frost convenience for reduced user maintenance
