SBC58BLIFFLTWADA

32" x 23.63" x 22.38" (H x W x D)

Built-in 24" wide ADA-compliant dual tap beer dispenser with panel-ready door and removable tap system for nonpermanent installation

Highlights:

Innovative Floating Tap lets you create a complete undercounter kegerator without modifying your countertop

Easy-to-install + removable tap system allows you to change your space as needed

Just 32" high for an easy fit under lower ADA compliant counters

Product Features:

| Dual tap kegerator with a remote tapping system that includes everything you need to pour draft beer without modifying your countertop | |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--|
| Non-permanent draft tower is separated from the actual kegerator and designed for temporary installation on counter surfaces, allowing you to remove as needed | |
| 32" height allows easy installation under lower ADA compliant counters | |
| Designed for installation under the counter | |
| Tower is connected to the removable tap kit that does not need to be permanently attached to your countertop | |
| Integrated stainless steel door frame allows you to mount full overlay panels over the door to create a custom look that can blend into cabinetry with no exposed frame (panel size: 23 5/16" W x 28 1/4" H and at least 3/4" thick; maximum weight: 10 lbs.) | |
| Twin draft tower allows you to serve from two 1/6 (sixtel) sized kegs | |
| No tools or equipment needed for fast setup and easy removal | |
| Includes a tap hole cover, glass shelves, and a scalloped steel bottle rack to all you to convert the kegerator into a traditional all-refrigerator | |
