SUMMIT

SBC7BRSFLTWCFADALHD

32" x 23.63" x 22.38" (H x W x D)

Built-in 24" wide ADA-compliant dual tap cold brew coffee dispenser with a removable tap system for non-permanent installation

Highlights:

Innovative Floating Tap lets you create a complete undercounter kegerator without modifying your countertop

Easy-to-install + removable tap system allows you to change your space as needed

Just 32" high for an easy fit under lower ADA compliant counters

Product Features:

24" Wide Built-In Floating Tap Coffee Dispenser	Dual tap kegerator with a remote tapping system that includes everything you need to pour draft cold brew without modifying your countertop	
Patent pending commitment-free design	Non-permanent draft tower is separated from the actual kegerator and designed for temporary installation on counter surfaces, allowing you to remove as needed	
ADA compliant design	32" height allows easy installation under lower ADA compliant counters	
Built-in capable	Designed for installation under the counter	
No drilling needed	Tower is connected to the removable tap kit that does not need to be permanently attached to your countertop	
Dual tap system	Twin draft tower allows you to serve from two 1/6 (sixtel) sized kegs	
Easy installation	No tools or equipment needed for fast setup and easy removal	
Convertible to a refrigerator	Includes a tap hole cover, glass shelves, and a scalloped steel bottle rack to all you to convert the kegerator into a traditional all-refrigerator	
Versatile use	Approved for both residential and commercial settings
