

TK Custom Cooktop Trim Kit

Summit can have a stainless steel collar manufactured to your exact specifications, allowing you to install virtually any cooktop inside a larger counter cutout. To get started, follow the steps below:

1.

Place your order online*

Add item "TK Custom" to your cart. After checkout, you will receive an email confirmation with your Order Number. Add that information to the box at the bottom of this page.

2.

Measure your cutout

A. Cutout Width:

B. Cutout Depth:

3.

Specify the exterior dimensions you want for your custom trim kit

C. Exterior Width:

D. Exterior Depth:

4.

Number of trim kits needed

5.

Email this completed form to orders@summitappliance.com.

Please include your Order Number in the subject line.

*Note: your credit card will not be charged until your trim kit ships from our facilities.

All trim kits are made from 304 grade stainless steel.
