

Shelf Overlay Instructions – SHELFKIT3041

The Wine Cellar and Kegerator combination unit (**SWBC3041**), allows the user to store wine bottles horizontally. By using the Shelf Kit, the user will have the option to store items upright by adding overlays to the wooden shelves. To ensure items to fit properly, some shelves will have to be taken out.

Your kit includes three (3) stainless-steel overlays.

Adding the Overlay Shelves:

1. Remove the protective film covering for each overlay. (**See Image 1**)
